Dewan of Mysore

Copy of letter No.23 dated the 20th July 1901 from the Honorary Secretary, Freind-in-need Society, to the First Assistant Resident in Mysore.

With reference to the resolution arrived at a General Meeting of the Friend-in-need Society held at the Mayo Hall on Wednesday the 17th instant, I have the honour to enclose the accompanying correspondence in according the wishes of the Resident.

It is the general opinion of the Society that su charges should not come upon the funds of a private charit which are now heavily drawn upon by the prevailing distres and the enormous increase in price of food and all provisi and the society has also to support the Girlestone Ward fo incurables for which no grant exists either from Governmen of India or from the Mysore Government.

The grant of Rs.450/- a month to the Society was made in Sir Mark Cubbon's time, and it is paid out of the Revenue of the Assigned District; since then the Girlestone Ward for incurables &c.has been added and no means provided for its maintenance from either Governments; the Municipality of the Civil and Military Station make a grant, on certain conditions, the subscriptions towards this charity are very small and of course very fluctuating, and already we have had to draw on its small reserve in consequence of the numbers sent to us from all parts of the Province; I would therefore solicit a grant of Rs.50/- a month from the Government for its permanent maintenance.

I think a monthly grant of fifty Rupees is not undesirable. much good is done and though in the Civil & Mily: Station, yet it is a part of Mysore and the people there are entitled to our sympathy. People from the City are not refused at least they ought not to be -

Please submit a draft order sanctioning this sum, and state any conditions necessary - It must be open to the Durbar to discontinue it at any time without assigning reasons.
